

Wildermage Games Privacy Policy

Effective Date: October 3, 2025

Last Updated: October 3, 2025

Wildermage Games Inc (“we”, “our”, or “us”) respects your privacy. This Privacy Policy explains what information we collect, how we use it, and your rights as a player.

1. Information We Collect

When you play Wildermage, we may collect:

- **Device Information:** type of device, operating system, unique device identifiers.
- **Gameplay Data:** progress, achievements, mission completions.
- **AR/Location Data:** approximate location for AR functionality (never stored beyond gameplay session).
- **Optional Data:** if you contact us for support, we may collect your email address.

We **do not** collect personal information such as name, phone number, or address unless you provide it voluntarily.

2. How We Use Information

We use this data to:

- Improve game performance and fix bugs.
- Track game progress (save files, achievements).
- Improve player experience with analytics.
- Ensure fair play and prevent abuse.

We **do not sell your data** to third parties.

3. Third-Party Services

Wildermage Games may use third-party services (e.g. Unity Analytics, Google Play Services, Apple Game Center). These services may collect anonymized usage data in accordance with their own privacy policies.

4. Children's Privacy

Wildermage: Core Edition is designed for general audiences. If you are under 13 (or under the legal age in your region), you must have a parent or guardian's permission to play. We do not knowingly collect personal data from children.

5. Your Rights

Depending on your location, you may have the right to:

- Request a copy of your data.
- Request deletion of your data.
- Opt out of analytics or tracking features.

To make a request, contact us at: portal@wildermagegames.com

6. Security

We take reasonable steps to protect your information, but no method of transmission over the internet is 100% secure.

7. Changes

We may update this Privacy Policy from time to time. Updates will be posted on this page with a new "Last Updated" date.
